For Immediate Release

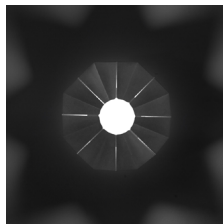

Introducing Solo : Minimal, Modern, and Simply Beautiful Lighting from UltraLights

Solo is a collection of sleek and simple contemporary pendants and sconces. Inspired by minimalist design, Solo strikes a balance between bold and understated. Exposed bulbs combine with strong lines to produce a refined industrial aesthetic with dynamic light and shadow. Solo is designed for commercial, hospitality, and residential applications.

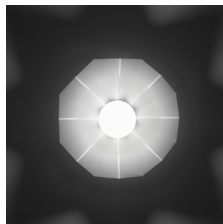

Manufactured in America and built to order, the Solo collection suits a range of aesthetics and design styles.

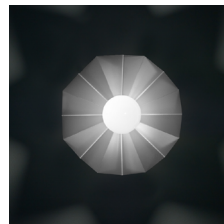

Solo 23507 (New Brass) Available in 2 sizes: 10" and 14". This sconce's dynamic angles reflect highlights and cast a unique shadow. 10" shown here.
